We (the Committee) are all looking forward as a team working to enhance our club grounds and providing more facilities for families and fun events for our members in the new year and beyond. We will look forward to your support and participation next year and hope to see you out at the club.

---

## REPORTS

### PRESIDENTS REPORT

The future of our club looks great and the Lease has been signed, with options of renewing every 10 years until 2096. Our club is now secure for our future.

We received a grant to help install new ramps for our members to use to access the traps. They are now completed and look great.

### Vice President/Treasurers

Hi Everyone, just a heads up that your membership is now due. A form is available on the ACTA Newsletter, ACTA Website and at the Club. Our Club Membership is \$35.00.

We have had more practice days available for our members and this has helped increase our revenue each month, so keep on coming and have some fun during the week and weekends. Shooting Clays makes us money which in turn builds your club.

### Secretary's Report

All Legal requirements have now been fulfilled. The Club's Armourers Licence has been renewed. I am looking forward to an enjoyable year working with your new Committee and Club.

The former Committee Members who still hold club keys please return them to the club ASAP.

---

Aislin Jones

## Shoot Report

Last Weekend we had our ISSF Skeet 'Come and Try Day' organized by our new President, Ross Winnel. We had shooters who travelled from as far as Gosford and Melbourne to have a go at ISSF Skeet. A number of Field and Game shooters attended and interested onlookers who came out to check out what ISSF SKEET is all about. A very successful day and people are looking forward to our club holding another one in the near future.

Many thanks to Ross for all his organization efforts for this event and for our ISSF Olympic Medalist Aislin Jones and her family, Dave, Lyn, Renae and our sponsors who supported this day.

---

Aislin Jones & Gary Putkunz

## Schools

Well, the year draws to a close for the holidays. What a year we have had! With the help of many of our members we managed to introduce and teach over 80 athletes, DTL, Skeet and Sporting disciplines. They had an amazing time shooting clay targets and learning new skills.

These young athletes were always courteous and polite to all of those helping them enjoy our sport. I am sure I speak for all of us in saying it was always a fun day. We shared in their achievements in hitting a target and their disappointment if they missed.

A huge thank you from myself and AWCTC. To all our volunteers, we couldn't have done this without your dedication, time, patience and support. Looking forward to working with you when/if you have the time with the athletes next year and having more fun teaching the next generation. A special thank you to Sharni Van Werkhoven for organizing a team from Albury High School to compete in our inaugural competition.

Finally a very big thank you to Kylie Rose from St Pauls College and Rodger Burrows from the Scots School. Without these two Teachers' efforts in organizing their athletes, the never ending paperwork, and complying with their Schools Policies, nothing would have started at our club and the students who are our future would not have had the opportunity to enjoy clay target shooting.

A very special thank you to Robyn Langley for all her help during the year. You made each day much easier to organize.

Regards

Graeme Boyd (Boydie)

---

## Coaching

We have a member of our club who is available for coaching at a very high level. Graeme Boyd is a Professional Clay Target Coach by Australian Sports Commission and has World ISSF Coaching Accreditation.

Graeme is available for one on one coaching, for Corporate Days, Buck's & Hen's Days, Ladies Days, Group Bookings and School Groups.

Contact Graeme on 0419234798 or email [claybusters@bigpond.com](mailto:claybusters@bigpond.com)

---
